DR. R. B. HEWITT,
34 WENTWORTH STREET.
CHARLESTON, S. C.
Can be consulted on the following diseases,
and diseases of a kindred nature, free of charge
and in strict confidence.
Charges moderate, and within the reach of
all. Office hours from 9 a. m. to 7 p. m.
RHEUMATISM and NEURALGIA.

In all arthritic complaints, as rheumatism
gout, neuralgia, etc., this practice is almost per-
fect. The most intense pains are almost im-
mediately relieved—common swellings are re-
duced—limbs which have been contracted and
stiff for years are relaxed. Cases of twenty,
thirty and forty years' standing have been cured
by me, after all other means have failed.
A great accomplishment is my triumph over
pain, by which I can often, in a few moments,
tooth and carry off the most excruciating suffer-
ings.
If this system did nothing more than to re-
lieve pain, it would stand superior to any other
system extant.

CATARRH.
Stopped-up Head, Running of the Nose,
constant hawking and spitting,
constant Blowing of the
Nose.

Thousands suffer from that most annoying
disagreeable complaint—Catarrh, without
knowing what it is.

Often the secreted mucus flowing down the
throat clogs up the lungs and lays the foundation
for consumption.

The most skillful physicians fail to cure it.
I cure any case of obstruction—stopped up
head—discharges of greenish, thick, thin or
glairy mucus from the nose, internal or external—
pain or fullness between the eyes—con-
stant blowing of the nose—inflammation of the
nasal passages, ulceration of Schneiderian
membrane, etc., in the course of a few days.

DEAFNESS.
Nervous Deafness, Noises in the Head, Otor-
rhea—Otitis (discharge from Ear),
Paralysis of Auditory Nerve.

I am daily treating all affections of the ear
with the most gratifying results. Some who
had paid aurists nearly \$1,000 without benefit,
have been cured by me in a few weeks at moderate
expense.

MERCURIAL DISEASES.
Mercury, injudiciously used, has filled the
earth with wrecks of humanity. Thousands
suffer from its effects who have been uncon-
sciously drugged by their physician. It is vain
to attempt the cure of the majority of diseases
while it remains in the body.
Although I have heard of several so-called
antidotes for mercury in the human body, I
have never yet seen a physician who could
eliminate it from the system.
I can satisfy any patient or physician that I
can absolutely extract mercury, lead, zinc, and
other mineral poisons, in every case.

CANCERS.
Noli-ma-Tangere, Lupus, or Wolf Cancer,
Scirrhus Cancer—Fungous Cancer,
Rose Cancer—Spider Cancer.
I make a great specialty in the treatment of
every description of cancer and tumors.
How many cancers and tumors are wrong-
fully treated by certain charlatans styling
themselves "Cancer Doctors."
After being pronounced incurable, I will take
any one of these cases in hand, and make a
permanent cure.
My terms for treating cancers, etc., will be
based on the age and condition of the patient,
and the positive certainty of cure.
